PRO-TF is a extensively hydrolyzed protein protein designed to reinforce your daily intake of protein.

It contains 4Life Tri-Factor Formula and has a high content of protein, so it **contributes to the increase and the preservation of muscle mass.**^[1]

Directions: Combine one (1) scoop (17 g) powder with 240 ml of cold water. Shake or store until dissolved. Consume two servings daily.

Ingredients: Whey protein (milk), maltodextrin, egg white protein, natural vanilla-cream flavor, thickener (guar gum), medium chain triglycerides, colostrum (milk), sodium chloride, egg yolk powder, sweeteners (sucralose, acesulfame K).

Conservation and precautions: KEEP OUT OF REACH OF CHILDREN. Store in a cool, dry place. Do not exceed the recommended daily dose. Food supplements are not a substitute for a varied and balanced diet and a healthy lifestyle. This product is accurately packed by weight. Some settling may occur during storage and shipping.
