

SUPER DETOX™ (60 CAPSULES)

Contains plant extracts (milk thistle fruit, dandelion leaf, and artichoke leaf) that contributes to maintain **normal liver function**.

Ingredients: Red Clover (*Trifolium pretense* L.) flower powder, milk thistle (*Silybum marianum*) fruit extract, gelatin, dandelion (*Taraxacum officinale*) leaf extract, broccoli (*Brassica oleracea* L. Var italica Plenck) seed and leaf extract, artichoke (*Cynara scolymus* L.) leaf extract, and canola oil.

Directions: Take two (2) capsules twice daily with 240 ml of water.

DID YOU KNOW THAT THE LIVER is one of the most important organs in our body. It carries out a number of functions through the day and contributes to a good quality of life.. It's main functions include:

- **Debugging:** the liver recovers and transforms numerous toxins making them harmless before discarding them. In addition, the liver neutralizes medications once they have produced their effects to help avoid accumulation.
- **Synthesis:** the liver is involved in the metabolism of carbohydrates, lipids and proteins.
- **Storage:** the liver stores the fat-soluble vitamins (A, D, K, E). It also stores glycogen to then provide energy to the body if necessary.

WARNING: KEEP OUT OF REACH OF CHILDREN. Store in a cool, dry place. Do not exceed the recommended daily dose. Food supplements are not a substitute for a varied and balanced diet and a healthy lifestyle.

For people with hypothyroidism or low thyroid treatment, consult your doctor.
